

Preparing for International Health Experiences: A Practical Guide (Paperback)

By -

Taylor & Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English. Brand new Book. At some point in their careers, many health professionals and students wish to engage in overseas work. Learning from other systems, people and cultures is invaluable and in some cases life changing. This book is a unique resource that offers necessary insights into making the most of the experience, from pre-departure training through to return orientation. It provides information on navigating the legalities and bureaucracies of international medical training and gives insights into cultural and language competencies, including how to be ethical and deferential in the exchange of situational knowledge. Preparing for International Health Experiences is a must-read for any healthcare student considering volunteering, doing mission or practical work abroad. It covers specific medical professions from paediatrics to surgery, and allied disciplines such as dentistry and nursing. Its practical tips and consideration of ethical issues will be valued by readers of different levels and experience.

Reviews

An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Elenor Koch PhD

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.

-- Devante Mante
